INCIDENTS ATTENDING THE ELEC-

TION. FIFTEENTH WARD, TENTH DISTRICT .- Considerable delay was occasioned at this poll at the closing, before the canvassing of votes was commenced, in consequence of Mr. Charles A. Acton, one of the Inspectors, having changed his place of residence, rendering him ineligible to the office, in which event it became necessary to appoint a substitute to act. This the Chairman claimed the right to do by law, but was opposed by Mr. Giles, the Democratic member of the Board, who urged that a substitute should be appointed by the casting of lots, and an equal opportunity given for the appointment of a Democratic Chairman maintained his view as stated, and held that inasmuch as Mr. Acton was a Republican, such should e appointed in his place. After considerable discustion a messenger was dispatched to Judge Davies, who, upon hearing the facts in the case, at once formally reappointed Acton to the office, when the can-

vass of votes was immediately proceeded with. FIFTEENTH WARD-EIGHTH DISTRICT .- At this poll a gentleman, whose name had not been previousregistered, but who has resided in the District over two years, having voted in the same at the last election, which fact was found duly recorded on the polllist, was refused his vote, though making the formal affidavit and producing several competent vouchers. These not being able to swear to having seen him eat and sleep at the given place of residence, though fully satisfied of the fact of residence, their evidence was deemed insufficient to entitle him to vote.
